

FARMFEST

PROMO TEAM APPLICATION INFORMATION PACK

Farmfestival has been carefully crafted into one of the most inclusive and unique events in the UK. We started as a party for friends and 12 years on we're still doing it our way, hosting a genre-defying melting pot of music, arts, party and people, set to a beautiful Somerset vista. Always independent, it's good music, good causes and good times. For everyone.

Nominated for 'Line-up of the Year' at UK Festival Awards 2017
